1.1 Scope of Work

The City of Gallatin seeks to purchase a synthetic oil blend (15W-40) with high performance additives, delivering premium soot dispersing capabilities, while extending drain intervals, even under maximum allowable load conditions and minimizing engine wear and oil consumption. Estimated annual volume would be above 1200 gallons.

2.0 Vendor Requirements

- Vendor must complete attached price sheet.
- Vendor must delivery product at no additional charge.
- Pricing Good for 6 MONTHS
- Pump oil in existing storage container (330 Gallons capacity)

3.0 Evaluation of Proposals

The City of Gallatin will award the contract to lowest responsible and responsive bidder meeting specifications, quality, and performance standards pursuant to the Municipal Purchasing Act of 1983. Response will be based on the following factors;

- Completeness of response
- Cost
- Vendor track record, including references
- Quality of service and product performance

4.0 Contract Award

The City of Gallatin reserves the right to reject any or all proposals and to waive any informality found therein. The City of Gallatin will award a contract based on evaluations described above.
